ENGINEERED PUMPS, CONTROLS, MOTORS, SERVICE, AND SAFETY

IOWA + NEBRASKA + KANSAS + MISSOURI

Submersible, non-clog, sewage, grinder, self-priming, sump pumps and slide out rail systems. Complete lift stations, controls and UL listed. American made pumps for Municipal and Industrial applications

Chopper pumps, scum buster, digester mixer/pumps. Chopper pumps configured as vertical, horizontal, submersible and pedestal, self-priming the original chopper pump. 60 Years, 40,000 pumps sold, 40 patents, flow from 100-GPM to 7,000 GPM

Process mixing systems for digesters, sludge storage, EQ basins, and bio solids. Part of the Vaughan company

Largest American Pump Company. Brands Include: Hydromatic, Aurora, FairbanksMorse, Layne Bowler, Aermotor, Apex, Sta-rite, Berkeley, and Myers

NSF rated Split Case, End Suction, Vertical Sump, In line, Multi-stage pumps

Submersible, Vertical Turbine, Split Case, End Suction, Multistage pumps

A WILCO COMPANY

NSF rated Self Priming. Multi Stage, Submersible Turbine, and mixer pumps

Engineered custom pump control panels. Float switches, alarms, and controls, variable speed drive, on site controls including time dosing and VFD's for phase conversion

Telephone Dialers, remote alarms, telemetry equipment, PLC compatible dialer and alarm systems, cellular and land line

Floating baffle curtains for waste water treatment

Connected lone worker devices, multi gas meters, personal wearables, area monitors, software analytics, live monitoring

Water moving aerators, lagoon and pond aeration and sludge reduction. Wet Well Wizard FOG cleaning system

ENGINEERED PUMPS, CONTROLS, MOTORS, SERVICE, AND SAFETY

IOWA + NEBRASKA + KANSAS + MISSOURI

Flow meters full pipe Mag meters for water and wastewater

Motors, VFDs, Control Components

Motors for Any Application

Generators, Submersible, and Engine Driven Contractor Pumps

Fiberglass and poly basins. Pre-fabricated lift stations, cover and rail systems

Lifting Cranes, Hoists, and Cable Winches

Access hatch covers and castings. Aluminum, steel, cast iron, specialty metals, safety nets, ladders, and trash baskets

SERVICE

- FIELD REPAIR** Trained and experienced service technicians with well-equipped service vehicles and confined space entry equipment. Available 24 hours a day
- SHOP REPAIR** Service facility, motor rewind, machining. Servicing all brands of pumps
- PARTS** A large inventory of OEM parts and complete systems is maintained
- RETROFITS** Modify existing structures to accept new equipment including lift stations, controls, flow metering, pump installations and access hatches
- SERVICE CONTRACTS** On-site maintenance of pumps, controls, generators, telephone dialers
- RENTAL** Large fleet of rental equipment including submersible pumps, engine driven pumps, flow meters, samplers, controls and aerators
- ELECTRICAL** Service on all types of water and wastewater controls, troubleshooting. Electrical Contractor License
